

The Indiana Professional Licensing Agency no longer issues a courtesy license after issuance or renewal. You will need to order your license online at <https://mylicense.in.gov/EGov/Login.aspx>.

In order to access your license online, you will use:

- **Your primary license number** as your **Login ID** and
- **The last four (4) digits of your social security number** as your **password**.

You may:

- **order and print a free license**
- **OR**
- **order and purchase a license** that will be printed on blue certificate card stock paper with the expiration date and mailed to you.

Both of these licenses meet the posting requirements in the State Board of Cosmetology and Barber Examiners statutes and rules.

If you experience problems logging in, there may be a problem with the social security number that we have on file for you. If this is the case, please call a case manager with the State Board of Cosmetology and Barber Examiners at 317-234-3031 to verify your social security number.
